

How Could I Forget Your Love

(Music and lyrics by John R. Rudisill and Leslie E. Bruggeman)

Chorus

How could I for-get your love, God sent you from a-bove.
Your love was the only way, to save us from the sins we made.

Verse 1

How could I for-get your gift?
Why do I ig-nore and drift?
You gave all that there was to give
so that I might al-ways live.

Chorus

How could I for-get your love, God sent you from a-bove.
Your love was the only way, to save us from the sins we made.

Verse 2

Some-times I find it hard to pray.
It seems like I can't find my way.
That is why I want to say,
help me put you first each day.

Chorus

How could I for-get your love, God sent you from a-bove.
Your love was the only way, to save us from the sins we made.

Verse 3

Je-sus is my on-ly one.
He is God's be-got-ten son.
Des-pite His sac-ri-fice for me,
I take for gran-ted Cal-va-ry.

Bridge

Lest I for-get your love for me.
Lest I for-get your death on Cal-va-ry.

Chorus

How could I for-get your love, God sent you from a-bove.
Your love was the only way, to save us from the sins we made.
