

Jesus Christ Loves You

(Music and lyrics by Leslie E. Bruggeman and John R. Rudisill)

Verse 1

In the be-gin-ning was the Lord.
He made the world, from a void.
He spoke His mighty Word
and said it's good!
And when He men-tioned light
He took away the night.
Made wa-ter and the wind
They did, o-be-y.

Verse 2

From the man-ger to the cross
cruci-fication was the cost.
God's only son was lost
to save our souls!
He de-livered us from sin
so that we might live a-gain,
gives us hope and shows the way.
If we o-be-y.

Verse 3

He shows His love each day,
gives us light to guide our way.
He's the migh-ty build-ing block.
He's our rock!
With His pre-sence in our lives
there's no moun-tain we can't climb.
He's with us through all time,
the great I a-m.

Bridge

He gave it all from a-bove,
a way to show His love.

Chorus

How much, does the Sa-vior love us?
As far, as the East is from the, We-st.
How much, does the Sa-vior love us?
How much more could you and I be ble-st?

Je-sus Christ , Je-sus Christ, Je-sus Christ loves us.
