

LOVE AS I HAVE LOVED YOU

Music and Lyrics by John R. Rudisill & Leslie E. Bruggeman

Verse 1

Love as I have loved you, yes, loved you, a story of true love.
Love as I have loved you, yes, I am love, love as from above.

Verse 2

I gave my life so you would know, I loved you so, I've loved you through all time.
Before the whole world began, you were mine, you're my divine design.

Verse 3

When I come to bring you home, to be with Me and ne-ver more to roam.
Together for evermore, eternal love, love without an end.

Bridge

Love as I have loved, love with all your might, love with all your soul.
Love as I have loved, love with all your heart love will make your spirit soar and lead
you home.

Chorus 1

Love conquers all. I gave my life for you, to teach you how to really care,
really care, for all!
Love conquers all. My love will help you know, just what it is to really care,
To love as I have loved.

Chorus 2

Love conquers all. I gave my life for you, to teach you how to really care,
really care, for all!
Love conquers all. My love will help you know, just what it is to really care,
To love as I have loved. Love conquers all!
