

THIS IS THE DAY

Music and Lyrics by John R. Rudisill & Leslie E. Bruggeman

Verse 1

I woke up today, the light poured through my pane.
It's a new day, I'll let you take the reins.
Lord, you brighten my day, you send joy my way.
Help me please you, I pray!

Verse 2

Lord, this is the day, make it what you will.
Help me I pray, fill me with your Holy Spirit.
Lord, I want to live, for you each moment.
I hope to earn your merit.

Bridge

Bless this day, Lord, I pray. Let me serve you.
Give me peace, help me give as you have given to me.

Chorus

Let us re-joice. This is the day that the Lord made.
I surrender, I'll give my all to Him this day.
For you I claim, this day!
