GIVE IT TO THE LORD

Music and lyrics by John R. Rudisill and Leslie E. Bruggeman

Verse 1

Give your worries to the Lord.

Praise and thank Him evermore.

Let Him guide you through this life, He bought you with a heavy price.

Chorus

Don't worry God's in charge, give it over to Him.

Don't worry God's in charge, give it to the Lord.

Do all that you can but know that He's in charge.

Pray about everything, give it to the Lord.

Verse 2

Give your health unto the Lord.

Give your money to the Lord.

Give your marriage to the Lord, His peace will guide and keep your heart!

Chorus

Verse 3

It's not about what we can do.

It's all about what God can do.

Trust in the Lord, give Him your all. God will protect, follow His call.

Chorus
