## **HOW BIG IS YOUR GOD?**

Music and lyrics by John R. Rudisill & Leslie E. Bruggeman

### Chorus

How big is your God? How big is your God?  
How big is your God? How big is your God?  
Magnify your Lord, raise Him to the highest high!  
Magnify your Lord, lift your hands and testify now!

### Verse 1

Are you aware your God is bigger, than you know?  
Are you aware that God can help to make you grow?  
Are you aware that God, provides your every need?  
Are you aware that God goes above, beyond, exceeds?

### Chorus

### Verse 2

Open your heart to God, His power to receive.  
Exalt your mighty God, do not be deceived.  
Give Him first place in your life, make Him big as He can be.  
Praise His holy name, let Him be your key.

### Chorus

### Verse 3

He'll give abundant life, and you will be set free.  
He'll help you guide your life, ride it's choppy seas.  
He'll bring life's blessings, even when times are hard.  
Though you're marred or scarred, he'll be your lifeguard.

### Bridge

Raise Him up and praise His name.  
Raise Him up and praise His name.
