WHY DOES HE LOVE?

Music and lyrics by John R. Rudisill and Leslie E. Bruggeman

Verse 1

Why does He love even a sinner like me?
Why does He care for one who behaves badly?
I'll never know why His love reaches me.
He knows my heart yet He would die just for me.

Chorus

God loves me, O how He cares for me,
God loves me, He gave His life for me,
God loves me, He gave His life for me,
God loves me, He will lead and guide me.
God loves me, O how He cares for me,
God loves me, He gave His life for me,
God loves me, O how He loves.

Bridge

I know He loves me, He heals me, and makes me complete.
I know He lifts me, He schools me, and takes my defeats.

Verse 2

Why does He love, even a sinner like me?
Why does He care, for one who behaves badly?
I'll never know, why He love reaches me.
He knows my heart, yet He would die just for me.

Solo

Chorus 2

God loves me, O how He cares for me,
God loves me, He gave His life for me,
God loves me, He will lead and guide me.
Can't you see? He is the Savior of all mankind.
He's the light, for you to find.

O how He loves.

Bridge

I know He loves me, He heals me, and makes me complete.
I know He lifts me, He schools me, and takes my defeats.
