

I PRAY AND PRAY

Music and Lyrics by Teresa L. Rudisill, John R. Rudisill,
and Leslie E. Bruggeman

Verse 1

Lord, though I struggle from day to day
with earthly things to find my way.
I seek Your will I pray and pray
to do the things, You want me to
That one fine day, I'll be with You.

Verse 2

Lord, on my knees I pray on each day.
That You're the author of all I say
all that I feel and all I do.
When others see me, they'll see You.
and seek your peace, as I seek You.

Verse 3

Lord, fill my heart with Your perfect love.
That only can come from above.
Despite my failures, doubts, and fears
All of my human frailties.
O, Lord, it's You, I want to please.

Verse 4

Each day and night, oh, this I will pray
You'll be my guide and show the way.
You'll shine your light, that I may see
You are my Father, I'm Your child.
This bond of love, will ever be.

Chorus

I pray and pray, guide me each day.
To live for You as You have died for me.
To spread Your love You give so mercifully.
I pray and pray, to know Your way.
