LOOK AHEAD

Music and lyrics by John R. Rudisill and Leslie E. Bruggeman

Chorus

Look ahead, look ahead, you may cross deep waters, you may have steep climbs but
look ahead, look ahead.

Verse 1

With life on earth we all get pain, we must hold on throughout the rain,
Look ahead, as He said, "Rest in me."

Chorus

Verse 2

Our world is marked by vast decay, ours is to love, give thanks, and pray,
Look ahead, as He said, "Follow Me."

Chorus

Verse 3

Our God has promised life above. He has prepared a place of love, look ahead, as He
said, "God is love".

Bridge

When trials come may Thy will be done, one day we'll have peace and run in the Sun.
