

LORD, GIVE ME FIRE

Music and Lyrics by John R. Rudisill, Leslie E. Bruggeman, & Teresa L. Rudisill

Verse 1

Lord, I feel numb with shame, all of my prayers are the same.
Been holding back, so far off track.
I'm growing cold, no longer bold.

Chorus

Lord, give me fire! So I can burn for You.
Lord, give me fire! I'll always be-long to You.

Verse 2

Lord, I was once a flame, when I first came to know You.
I miss those days, singing Your praise.
Turn back the clock, help me walk the talk.

Bridge

Lord, don't let me be lukewarm.
Please don't let me be lukewarm.

Chorus

Lord, give me fire! So I can burn for You.
Lord, give me fire! I'll always belong to You.

Verse 3

Lord, give me peace again. Take all my doubt and my sin.
Revive me again, breathe new life within.
Hear my concerns, for You I will burn.

Bridge

Lord, don't let me be lukewarm.
Please don't let me be lukewarm.

Chorus

Lord, give me fire! So I can burn for You.
Lord, give me fire! I'll always belong to You.
