

ONE MAN'S PRAYER

Music and Lyrics by John R. Rudisill & Leslie E. Bruggeman

Verse 1

Dear God, our Father, thank You for being You.
Dear God, our Father, help me live my life for You.
If You find some way in me, that shouldn't be what You would
see, cleanse my heart and make me free.
You have the power, You are the mighty, You are the Love!

Verse 2

Dear our Father, thanks for Your blessings
Dear our Father, You always make me sing.
When I think of Your great love, You gave Your Son the pure
white dove, I'm unworthy of Your love.
You have the power. You are the mighty. You are the Love!

Bridge

Oh, Lord, my Jesus, You've been my best friend.
Oh, Lord, Jehovah, I'll love You til the end.
Oh, Lord, I love You, You're everything to me.
Oh, Lord, my Savior, You've made me to see.
Oh, Lord, of mystery, How can I explain,
Your wonderful mercy, You've taken all my pain!

Verse 3

Dear God our Father, You are my glorious King.
Dear God our Father, accept the praises that I sing.
Let my life be what You plan.
Take away my guilt and shame.
Let me be with You always.
