

The Carpenter Man

(Music and lyrics by Chuck Graf)

Verse 1

He was born to a virgin named Mary, engaged to Joseph, the Carpenter Man.
God's Son was raised and nurtured by this Mary, the Carpenter Man.

Chorus 1

He was the Carpenter Man from Nazareth, and He was God's own Son.
An old rugged cross did await Him, but He prayed, "Father, Thy will be done."

Verse 2

He grew up and became a young man, and He was a carpenter too.
He learned how to work and labor with wood to make things brand new.

Verse 3

He can fix a stool or table, or build a house from the start, but the greatest
work of the Master was to create within me a new heart.

Chorus

He was the Carpenter Man from Nazareth, and there is no work He can't do
but the greatest work of Jesus was to die to save me and you.
