

# “I am Coming Home”

Music and lyrics by John R. Rudisill and Leslie E. Bruggeman

## Verse 01

A life was-ted on sin.  
I don't know where to be-gin.  
I re-gret how I've spent my life.  
Start-ed out in the church.  
Moth-er prayed for my soul.  
When I left home, I just drif-ted a-way.

## Verse 02

At first I had such fun.  
Stayed up all night and got drunk.  
Peo-ple came and they went so fast.  
No one meant much to me.  
It was all a-bout me.  
but some-where deep, God was pre-cious to me.

## Verse 03

I'm com-ing back to you now.  
I don't e-ven know how.  
I just know that I miss Your love.  
Take me back as your child.  
I know I've gone hog wild.  
I hide my pain from You be-hind this smile.

## Chorus

I am com-ing, I am com-ing home.  
I am com-ing, I am com-ing home.  
I know I've was-ted so much life,  
but You give me one more chance.  
I am com-ing, I am com-ing home.
