

# “He’s Always Been There for Me”

Music and lyrics by Leslie E. Bruggeman and John R. Rudisill

## Chorus

You’ve al-ways been there for me. You shine Your light down on me.  
E-ven in my dar-kest days,  
you’ve al-ways been there for me.

## Verse 01

When I’m lost and down, You keep me on the ground, You re-ally se-em to know me.  
Through my highs and lows, You’re al-ways in the know, You re-ally seem to get me.

## Verse 02

When I lost my way, and had nowhere to go, you sent your love to soothe me.  
When I was lost at sea, you cast your net for me, you res-cued me when you found me.

## Verse 03

I’ll live my life for You, un-til my days are through, I will love and serve you.  
When You come for me, Your glo-ry I will see, joy comes in the morn-ing.

## Pre-Chorus

Oh, You give me what I need.  
You make my life com-plete.  
You’ve al-ways been there for me.
