

“One More Time, Lord”

Music and lyrics by John R. Rudisill & Leslie E. Bruggeman

Verse 01

Lord, I come to you a-gain.
It's hard to make a-me-nds?
I need your love each day, but I push you far a-way.

Verse 02

Lord, I know I stand con-demned.
Please for-give me once a-gain.
I love to have my wa-y, but you're the pot-ter, I'm the clay.

Verse 03

As I look back on my da-ys.
I've paid for re-je-c-ting your wa-ys
Just as you par-doned Pe-ter, please heal this re-peat of-fen-der.

Bridge

With your help I'll do much bet-ter. I am just a work in pro-gress.
Take my mess and bless me now. Let me learn from my mistakes.

Chorus

One more time, Lord, please for-give me.
Once a-gain, how can that be.
I know I don't de-serve your love,
but please for-give my sins, one more time.
