

A Soldier's Prayer

Music & Lyrics by John R. Rudisill, Leslie E. Bruggeman, and Terry Hall Rudisill

VERSE 01

I walked out to the car-go plane,
got on board, just an-oth-er day.
8 hours to my mis-sion.
Cap-tain says, "Gon-na be a long day."
"Af-ter the plane, we grab a train."
Des-tin-a-tion un-known.

VERSE 02

Spec-ial ops, we all know the risks.
Hope it comes off with-out a hitch.
I hope my wo-man's fine.
We won't talk since I have no phone.
I pray the Lord, I get back home.
Back to the wife and kids.

CHORUS

Lord, get me through, one more day.
You know I am far a-way,
a mil-lion miles a-way.
Shield me from my fear, draw near.
It's you on whom I de-pend.
See me through to the end.
