

# *Say the Word*

Music & Lyrics by John R. Rudisill & Leslie E. Bruggeman

## **VERSE 01**

What's go-in' on here?  
Just this time last year,  
we had a ton of fun.  
Our hearts beat as one.  
It was slow at first,  
bit by bit it got worse.

## **VERSE 02**

What did I do wrong?  
Where do I be-long?  
I've felt a-lone too long,  
bare-ly hang-ing on.  
Know our love is gone.  
Good-bye is a sad song.

## **CHORUS**

Say the word, I'm gone.  
I'll let you car-ry on  
If you still love me?  
Don't you break free of me.  
Say the word.
