

Baby, Don't You Walk Out That Door

Music & Lyrics by John R. Rudisill & Leslie E. Bruggeman

VERSE 01 & 02

Ba-by, don't you walk out that door.
'Cause if you don't love me no more.
I can't de-ter-mine what is your plan.
Ba-by, I don't un-der-stand.
Ba-by don't you walk out that door.

PRE-CHORUS

There are two doors in and one door out.
You must de-cide what your life's a-bout.
Are you get-ting in or are you get-ting out?
Choose your path, don't look back.
Ba-by don't you e-ver leave me.
but your love is dri-ving me cra-zy.

CHORUS

Ma-ny times I've been down
Thought of lea-vin' West-ward bound.
But one look in your eyes,
and soon I re-a-lize
Hea-ven's here with you by my side.
Hea-ven's here with you by my side.
