

# *What a Shame*

Music & Lyrics by Leslie E. Bruggeman & John R. Rudisill

## **VERSE 01**

If I had a dime for ev-ery time you said,  
you don't love me  
I'm work-ing on 10 dol-lars just this week.  
I've tried to ex-plore more op-tions.  
Seems there's no more rea-son for me to stay.

## **VERSE 02**

I left your love with a good rea-son  
to walk a-way from you.  
But I know you're set in your old way  
I have e-nough mo-ney now, babe  
Seems there's no rea-son for me to stay.

## **CHORUS**

Dumb and rich ain't good all a-lone.  
If I leave where will I go?  
I will miss your love all the same.  
But we're done, oh, what a shame.
