

In the Country

Music & Lyrics by Leslie E. Bruggeman & John R. Rudisill

VERSE 01

You and I like driv-ing through the coun-try.
Look-ing for the pla-ces where we used to park.
Our friends keep us bu-sy in the coun-try.
'Cause I like the coun-try and my sweet-heart.

VERSE 02

It ne-ver fails me liv-ing in the coun-try
Our friends find us and in-ter-rupt all our plans
We still laughed with our friends in the coun-try.
Another day another drive back to the country place.

PRE-CHORUS

Now Sun-days we don't drive in the coun-try.
The old church house calls us faith-ful-ly.
We both bring our bibles and our fami-lies.
We all wor-ship the God we love.

CHORUS

In the coun-try, woo, oo, oo.
In the coun-try, woo, oo, oo.
In the coun-try, woo, oo, oo
In the coun-try, woo, oo, oo.
