

# *I'm Coming Back*

Music & Lyrics by John R. Rudisill & Leslie E. Bruggeman

## **VERSE 01**

Travel-ling a long road all a-lone.  
Can't wait to get back home.  
Ev-ery high-way has a sound of its own,  
but there is noth-ing like the sound of home.

## **VERSE 02**

Whe-ther I'm in Main or Dal-las,  
I know home waits for me.  
I know Bec-ky lives in L.A.  
I hope to stop to vis-it on the way.

## **VERSE 03**

Night breaks, it's the com-ing of dawn.  
Can't keep calm my nerves are gone.  
My rig will run hot, and I'll have to brake,  
but I look for-ward to my fam-ily's place.

## **CHORUS**

I'm com-ing back to the place I love.  
All that I dream of.  
I'm com-ing back to the place I love.  
Thank the heavns a-bove.  
I'm com-ing back to the place I love.
