

Be Who You Are

Verse 01

Oh, chil-dren just, be who you are.
Don't be what peo-ple, want you to be.
You are your own, bright star,
with God in your life, you'll go far.

Verse 02

Oh, chil-dren, grow, up your own way.
Don't get caught up in, what others say.
Turn to your God, and pray,
for God is the truth, and the way.

Pre-Chorus

Lis-ten to your par-ents in the Lord.
Make God the Chair-man of your Board.
He made you per-fect-ly, you see.

Chorus

Let God be with you, and be by your side.
Put on the armor of God.
Never let them think, that they can win.
You've al-ways got the Lord, by your side.
