

My Help Comes from the Lord

Verse 01

There is One whose pow-er reigns.
He holds the world in His hands.
Yet He is there just for me.
My help comes from the Lord.

Verse 02

Trou-bles and heart-aches will come.
Mis-takes made, pro-blems re-sult.
I reach out in my des-pair.
My help comes from the Lord.

Chorus

My help comes from the Lord
ma-ker of the hea-vens and earth.
Do you know how much that it is worth?
My help al-ways comes from the Lord
