

Be Still

Verse 01

When life's storms rage a-round you.
When ev-ery-thing con-founds you.
When life does-n't seem worth liv-ing.
Lord Je-sus gives us mean-ing.
Be still, be still

Verse 02

His eyes are ev-ery-where
He sees your needs and cares.
If you will seek the Lord to-day
He's with you all the way.
Be still, be still.

Verse 03

He came to save and for-give.
God sent Him to help us live
God gave us Christ the com-ing King.
Let all hea-ven and earth sing.
Be still, be still

Chorus

Be still, oh child of God.
And know that He is God.
What-ev-er may be-fall
He's with you through it all.
