

It's Your Life

Verse 01

If you were dy-ing,
would you be pleased
with the life you've led?
Have you real-ly lived?

Verse 02

Have you e-ver loved?
Reached for the sky?
And smelled the ro-ses.
Have you real-ly lived?

Verse 03

We have just one life.
It goes so fast.
How will you use it?
Will you real-ly live?

Chorus

It's your life, make it count, the time is fly-ing.
It's your life, lots to do be-fore your dy-ing.
You've on-ly one life to live.
It's your life!
It's your life!
